THE TWELVE STEPS OF A.A.

1. We admitted we were powerless over alcohol - that our lives had become unmanageable.
2. Came to believe that a power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as *we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as *we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

THE SERENITY PRAYER

God grant me the serenity
to accept the things I cannot change,
Courage to change the things I can
And wisdom to know the difference

ARE YOU AN ALCOHOLIC?

The list of questions which follows has helped a lot of people find out where they stood with booze. But remember, you are the only one who can say if you have a problem or not.

Even if you've been told you do, the important thing is that you decide for yourself.

All we ask is that you try to be honest.

1. Did you lose time from work due to drinking?
2. Did drinking make your home life unhappy?
3. Did you drink because you were shy with people?
4. Has drinking affected your reputation?
5. Have you gotten into trouble with money because of your drinking?
6. Did you associate with people you didn't respect and hang out in places you didn't want to be in when drinking?
7. Did your drinking make you careless of your family's welfare?
8. Has your drinking decreased your ambition?
9. Did you want a drink "the morning after?"
10. Did you have a hard time sleeping because of your drinking?
11. Has your ability to work decreased since drinking?
12. Did drinking get you into trouble on the job or in business?
13. Did you drink to escape from problems or worries?
14. Did you drink alone?
15. Have you ever had a complete loss of memory as a result of drinking?
16. Has a doctor ever treated you for drinking?
17. Did you drink to build up self-confidence?
18. Have you ever been arrested, locked up or hospitalized on account of your drinking?
19. Have you ever felt guilty after drinking?
20. Did you have to have a drink at a certain time each day?

If you answered "yes" to three or more questions, you may be an alcoholic.

But remember, we in A.A. follow this program voluntarily. No one forces us to admit we are alcoholics.
No one forces us to stay sober in A.A.

We do it because we like what A.A. has to offer.
Our primary purpose is to stay sober and help other
